

Professional contractors with proven experience and expertise in Tennis Court Surface Paint restoration are invited to submit proposals for surface rehabilitation and re-striping of the South Tennis Courts located at Water Tower Park in Menominee, MI.

The work would be to the South Courts which measure 120 ft x 120 ft. The cracks were sealed in Fall 2017 and may need additional touch-up prior to installation of the green primer surface. The proposed scope of work includes:

Touch up any cracks that have re-opened with application of rubberized asphalt cement crack sealing material; Grind any spalled areas to remove any peeling paint and install base coat and two surface coats of Green Acrylic Tennis Court Resurfacer Paint with Sand over the entire 120 ft x 120 ft area; Reinstall all white paint court delineation and playing surface lines; remove and dispose of all debris associated with the work.

The City requires that the project be completed in all respects no later than June 30, 2018. Interested bidders should submit a proposal in a sealed envelope, no later than **3:00 PM on April 3, 2018** to the attention of:

Kathy Brofka
City Clerk
