

Contractors with proven industry experience are invited to submit a quotation for replacement of the plumbing and providing new ground mounted toilets and new sinks and faucets at the Tourist Beach Restroom Facility in Menominee, MI. Existing plumbing was originally provided to accommodate wall mounted fixtures, but more vandal resistant ground mounted fixtures are required for this facility. Interested bidders are encouraged to contact Valerie Mellon at 906-290-0298 in order to visit the site and inspect the existing conditions. All quotations are due to the City Clerk Office located at 2511 10<sup>th</sup> Street in Menominee by 3:00 pm on July 25, 2018.
